

Camel CIGARETTES

are delightfully smooth, fragrant and refreshing. They can't bite, parch or leave any unpleasant cigarette after-taste.

Camels are blended choice Turkish and choice Domestic tobaccos, more to your liking than either kind of tobacco smoked straight!

Compare Camels, puff by puff, with any cigarette in the world. Test your taste, then you'll understand why men everywhere prefer them. No premiums or coupons, because cost of tobaccos blended in these cigarettes prohibits their use.

CAMELS sell 20 for 10c. If your dealer can't supply you, send 10c for one package or \$1.00 for a carton of ten packages (200 cigarettes), sent postage prepaid. If after smoking one package you are not delighted with CAMELS, return the other nine packages and we will refund your dollar and postage.

TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts in Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

But less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Will be in Cox-Townsend Building—Is Member of South Carolina Legislature.

Mr. Rufus Fant, Jr., member of the general assembly from Anderson county and a recent graduate in the law department of South Carolina university, will open up a law office in the Cox-Townsend building Thursday morning. Mr. Fant recently passed the state bar association examination in Columbia.

Mr. Fant will occupy one of the rooms of the law firm of Cochran and Quattlebaum but his will be a distinct and separate office and will not be conducted in connection with the above firm.

Mr. Fant is the son of Mr. and Mrs. Rufus Fant of this city. He is a graduate of Clemson College of the class 1913 and his popularity is attested to by the fact that he was elected a member of the South Carolina legislature last summer. He is a young man of a pleasing personality and is one of the best known young business men of Anderson.

Mr. Fant will doubtless build up a large and lucrative practice in this section of the state.
